STATEMENT OF REASONS

The Board held a hearing concerning an alleged violation of M.G.L. Ch. 138, s. 64 regarding assault and battery, patron on patron.

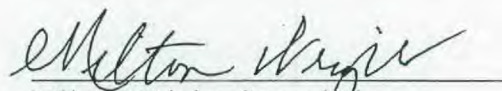

On May 19, 2011 Boston Police responded to a radio call for a fight at McFadden's. The victim was outside McFadden's. Two witnesses informed police that during a Suffolk pub crawl a suspect punched the victim and he fell on the sidewalk.

Based on the evidence, the Boston Licensing Board does not find a violation.

STATEMENT OF REASONS

Upon due notice and opportunity for a hearing, the Board voted to SUSPEND your license for a period of ONE (1) DAY for employee consuming alcohol while on duty. M.G.L. c. 138, sections 23 and 64.

SUBSIDIARY FINDINGS

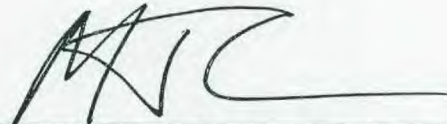

1. The licensee holds a C.V. 7-Day All Alcoholic Beverages license with a 2:00 A.M. closing hour at the above location.
2. On May 2, 2010, at approximately 1:00 A.M., Boston Police Sergeant John Devaney and Detective Kevin McGill conducted an inspection at the licensed premise.
3. The detectives conducted said inspection after receiving a complaint that employees were drinking while working and that the wait staff was not being paid an hourly wage but was instead only receiving tips.
4. Detective McGill testified at the Board's hearing on June 8, 2010 that they entered the premise and observed one employee consuming an alcoholic beverage.
5. The licensee appeared at the Board's hearing and was represented by counsel. They admitted that there was no excuse for such behavior and informed the Board that employees are trained that they are not allowed to consume alcohol while on-duty.

6. The licensee received a 3 day suspension in January of 2009 for persons on premise consuming alcohol after closing hour and another 3 day suspension in October of 2009 for serving a minor. The Board believes that a one day suspension is warranted and warns the licensee to operate within the guidelines of the law.
